Associate Tax Map Files with a Particular Program

The following presumes that you have subscribed to our tax maps service and are using a computer with Microsoft Windows installed.

9

From your desktop, locate the icon for the tax map and select it by clicking it once

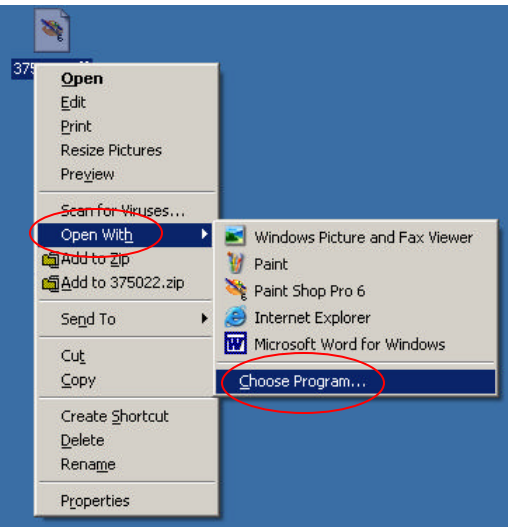

10

Hold down the **Shift** key on your keyboard and right click the tax map icon once

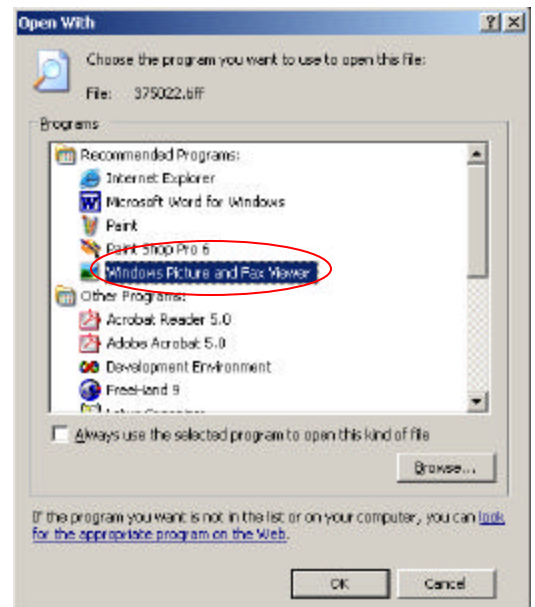

11

Release the **Shift** key and move the mouse pointer to **Open With**. Next, click **Choose Program** once. If **Open With** is not listed, then just click **Choose Program** once.

12

From the **Open With** window, select a program from the list which you would like to serve as the default program for opening tax maps. We recommend **Microsoft Imaging**, **Windows Imaging**, **Kodak Imaging**, or **Windows Picture and Fax Viewer**.
